Reclaimed Water Guidelines:

- Irrigation is authorized twice per week up to 30 minutes per zone and done in accordance with the above schedule based on the last digit of the resident's address.
- Reclaimed water is being procured at "bulk rate" from Pasco County (at a considerably reduced rate), and the expenses are budgeted annually in the "single family" and "patio home" CDD operations/maintenance account. You will not see a separate reclaimed water bill.
